

MARKDOWN SCHEDULE

Thank you so much for trusting French & Scouser to sell your merchandise/art/designs. We look forward to an ongoing, mutually successful business relationship with you.

Duration of the Consignment

The consignor and French & Scouser agree that the initial term of consignment for the Consigned Goods is to be 60 days from the date item has been put on the floor and that the consignor will not ask for return of their Consigned Goods prior to this date.

Due to limited space, some items may be stored in our storage area until we have the space for it on the floor. The consignment markdown schedule goes into effect on the day that merchandise is placed on the showroom floor, not from the day we accept it from you.

Automatic Markdown Schedule

Consigned Goods will be discounted as follows:

- 30% after 30 days
- 40% after 40 days
- 50% after 50 days

Consigned Goods will become French & Scouser's property after 60 days, unless consignor retrieves Consigned Goods at its own expense.
